

IN THE ERIC LOOP

Hello from the Montana Public Employee Retirement Administration (MPERA). This newsletter is intended to inform you of ongoing ERIC updates, as well as reporting tips and tricks to help you report payroll more efficiently.

Friendly reminders

We recently sent an email out to all of our Employers containing a link to the Employer Survey. If you haven't yet completed it, please take a few moments to complete it. Your feedback will assist us in future trainings and information for improvements.

MPERA wants to learn how we can improve your experience reporting payroll using ERIC and expand our training to best fit your ERIC needs. Please complete the short survey below to help improve the employer reporting experience.

Plan Choice

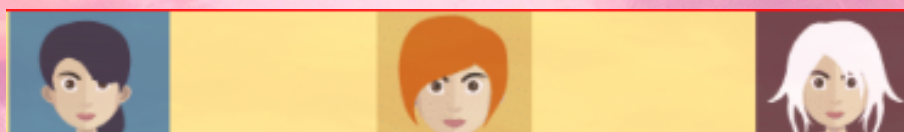

New PERS employees have an important retirement decision to make within their first 12 months of employment. Please direct new hires to the education section of our website for live and recorded presentations for information on their plan choice.

Plan choice forms can be found at:

Terminating Employees

If you are terminating a PERS member, and they have sick leave/vacation payouts, be sure to report the correct pay type to ensure contributions are being held out accordingly.
